

Billie Eilish - All The Good Girls Go To Hell

Tom: **G**

My Lucifer is lonely
Am
 Standing there, killing time
F
 Can't commit to anything but a crime
G
 Peter's on vacation
Em
 An open invitation
Am
 Animals, evidence
F
 Pearly gates look more like a picket fence
G
 Once you get inside 'em
Em
 Got friends, but can't invite them

Am
 Hills burn in California
F
 My turn to ignore ya
G **Em**
 Don't say I didn't warn ya

Am **F**
 All the good girls go to hell
G
 'Cause even God herself
Em
 Has enemies
Am **F**
 And once the water starts to rise
G
 And heaven's out of sight
Em **Am**
 She'll want the devil on her team
 My Lucifer is lonely

Am
 Look at you needing me

F
 You know I'm not your friend without some greenery
G
 Walk in wearing fetters
Em
 Peter should know better
Am
 Your cover up is caving in
F
 Man is such a fool, why are we saving him?
G
 Poisoning themselves now
Em
 Begging for our help, wow

Am
 Hills burn in California
F
 My turn to ignore ya
G **Em**
 Don't say I didn't warn ya

Am **F**
 All the good girls go to hell
G
 'Cause even God herself
Em
 Has enemies
Am **F**
 And once the water starts to rise
G
 And heaven's out of sight
Em **Am**
 She'll want the devil on her team

F **G**
 My Lucifer is lonely
Em **Am**
 There's nothing left to save now
F **G**
 My God is gonna owe me
Em **Am**
 There's nothing left to save now
 I cannot do the snowflake!
