

Billie Eilish - Bellyache

```
Intro: C Am Em
Му
C Am Em
C Am Em
[Verse 1]
Sitting all alone
Mouth full of gum
      Em
In the driveway
My friends aren't far
     Am
In the back of my car
       Em
Lay their bodies
[Pre-chorus]
Where's my mind
Where's my mind
[Verse 2]
They'll be here pretty soon
Looking through my room
       Em
For the money
I'm biting my nails
      Am
I'm too young to go to jail
         Em
It's kinda funny
[Pre-chorus]
Where's my mind
Where's my mind
          C Am
Where's my mind
Where's my mind
[Chorus]
Maybe it's in the gutter
Where I left my lover
```

Acordes

```
What an expensive fate
My V is for Vendetta
Thought that I'd feel better
But now I got a bellyache
[Verse 3]
Everything I do
The way I wear my noose
Like a necklace
I wanna make 'em scared
   Am
Like I could be anywhere
       Em
Like I'm reckless
[Bridge]
I lost my mind
I don't mind
Where's my mind
Where's my mind
[Chorus]
Maybe it's in the gutter
Where I left my lover
What an expensive fate
My V is for Vendetta
Thought that I'd feel better
But now I got a bellyache
Maybe it's in the gutter
Where I left my lover
What an expensive fate
My V is for Vendetta
Thought that I'd feel better
```
