

Billie Eilish - BIRDS OF A FEATHER

tom:

D

Riff QUE SE REPETE A MÚSICA TODA

I want you to stay
'Til I'm in the grave
'Til I rot away, dead and buried
'Til I'm in the casket you carry

If you go, I'm going too, uh
'Cause it was always you, alright

D

And if I'm turning blue, please don't save me

Em7

Nothing left to lose without my baby

Birds of a feather, we should stick together, I know

I said I'd never think I wasn't better alone

Can't change the weather, might not be forever

But if it's forever, it's even better

And I don't know what I'm crying for

I don't think I could love you more

It might not be long, but baby, I

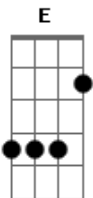

I'll love you 'til the day that I die

'Til the day that I die
'Til the light leaves my eyes
'Til the day that I die

I want you to see, hm
How you look to me, hm
You wouldn't believe if I told ya
You would keep the compliments I throw ya
But you're so full of shit, uh
Tell me it's a bit, oh
Say you don't see it, your mind's polluted
Say you wanna quit, don't be stupid
And I don't know what I'm crying for
I don't think I could love you more
Might not be long, but baby, I
Don't wanna say goodbye

Birds of a feather, we should stick together, I know ('til the day that I die)
I said I'd never think I wasn't better alone ('til the light leaves my eyes)
Can't change the weather, might not be forever ('til the day that I die)
But if it's forever, it's even better
I knew you in another life
You had that same look in your eyes
I love you, don't act so surprised
