

Billie Eilish - BIRDS OF A FEATHER

tom:
 Riff **QUE SE REPETE A MÚSICA TODA**

I want you to stay
 'Til I'm in the grave
 'Til I rot away, dead and buried
 'Til I'm in the casket you carry

If you go, I'm going too, uh
 'Cause it was always you, alright

And if I'm turning blue, please don't save me

Nothing left to lose without my baby

Birds of a feather, we should stick together, I know

I said I'd never think I wasn't better alone

Can't change the weather, might not be forever

But if it's forever, it's even better

And I don't know what I'm crying for

I don't think I could love you more

It might not be long, but baby, I

I'll love you 'til the day that I die

'Til the day that I die
 'Til the light leaves my eyes
 'Til the day that I die

Acordes

I want you to see, hm
 How you look to me, hm
 You wouldn't believe if I told ya
 You would keep the compliments I throw ya
 But you're so full of shit, uh
 Tell me it's a bit, oh
 Say you don't see it, your mind's polluted
 Say you wanna quit, don't be stupid
 And I don't know what I'm crying for
 I don't think I could love you more
 Might not be long, but baby, I
 Don't wanna say goodbye

Birds of a feather, we should stick together, I know ('til the day that I die)
 I said I'd never think I wasn't better alone ('til the light leaves my eyes)
 Can't change the weather, might not be forever ('til the day that I die)
 But if it's forever, it's even better
 I knew you in another life
 You had that same look in your eyes
 I love you, don't act so surprised
