

Billie Eilish - Bury a friend

Tom: G

What do you want from me?
 Why don't you run from me?
 What are you wondering?
 What do you know?
 Why aren't you scared of me?
 Why do you care for me?
 When we all fall asleep,
 Where do we go?
 (Come here)
 Say it, spit it out, what is it exactly?
 You're payin'? Is the amount cleaning you out, am I
 satisfactory?
 Today I'm thinking about the things that are deadly
 The way I'm drinking you down
 Like I wanna drown, like I wanna end me

Step on the glass, staple your tongue (ah-ah)
 Bury a friend, try to wake up (ah-ah)
 Cannibal class, killing the sun (ah-ah)
 Bury a friend I wanna end me

I wanna end me
 I wanna, I wanna, I wanna end me
 I wanna, I wanna, I wanna

What do you want from me?
 Why don't you run from me?
 What are you wondering?
 What do you know?

Why aren't you scared of me?
 Why do you care for me?
 When we all fall asleep,

Where do we go?

(Listen)
 Keep you in the dark, what, had you expected
 Me to make you my art and make you a star
 And get you connected?
 I'll meet you in the park, I'll be calm and collected
 But we knew right from the start that you'd fall apart
 Cause I'm too expensive
 It's probably something that shouldn't be said out loud
 Honestly, I thought that I would be dead by now (wow)
 Calling security, keepin' my head held down
 Bury the hatchet or bury your friend right now

Bridge

The debt I owe, gotta sell my soul
 Cause I can't say no, no, I can't say no
 And my limbs are froze and my eyes won't close
 And I can't say no, I can't say no

Step on the glass, staple your tongue (ah-ah)
 Bury a friend, try to wake up (ah-ah)
 Cannibal class, killing the sun (ah-ah)
 Bury a friend I wanna end me

I wanna end me
 I wanna, I wanna, I wanna end me
 I wanna, I wanna, I wanna

What do you want from me?
 Why don't you run from me?
 What are you wondering?
 What do you know?

Why aren't you scared of me?
 Why do you care for me?
 When we all fall asleep

Where do we go?
