

Billie Eilish - Come Out And Play

Tom: **G**

C
Hmm, hmm

C
Wake up and smell the coffee

C
Is your cup half full or empty?

C
When we talk, you say it softly

C
But I love it when you're awfully quiet, hmm, quiet

C
You see a piece of paper

C
Could be a little greater

C **F**
Show me what you could make her

C
You'll never know until you try it

C
You don't have to keep it quiet

Am **Em** **C**
And I know it makes you ner-vous

Am **Em** **F**
But I promise you, it's worth it

Am **Em** **G**
To show 'em every-thing you kept in-side
C (**Em**) (**C**) **Em** (**F**)

Don't hide, don't hide

Am **Em** **G**
Too shy to say, but I hope you stay

Em **Am**
Don't hide a-way

C
Come out and play

C (**Em**)
Look up, out of your window

C (**Em**)
See snow, won't let it in though

C (**Em**)
Leave home, feel the wind blow

C (**F**) **Am** **C**
'Cause it's colder here inside in silence
(**Am**) **F** (**C**)

You don't have to keep it quiet

Am **Em** **C**
And I know it makes you ner-vous

Am **Em** **F**
But I promise you, it's worth it

Am **Em** **G**
To show 'em every-thing you kept in-side

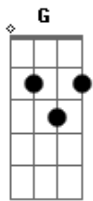

C (**Em**) (**C**) **Em** (**F**)
Don't hide, don't hide

Am **Em** **G**
Too shy to say, but I hope you stay

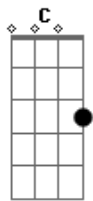

Em **Am**
Don't hide a-way

C
Come out and play
