G D C

Somebody said you got a new friend

G D C

Does she love you better than I can?

G D C

There's a big black sky over my town

G D C

I know where you're at, I bet she's around

Em D

Yeah, I know it's stupid

C

I just gotta see it for myself

G D C

I'm in the corner, watching you kiss her, oh

G D C

I'm right over here, why can't you see me, oh

Em D

I'm giving it my all, but

C

I'm not the guy you're taking home, oh

G D C

I keep dancing on my own

G D C

I keep dancing on my own
