[Primeira Parte]

D7M   E
   I had a dream
Dbm   D7M
   I got everything I wanted
D7M   E
   Not what you think
Dbm   D7M
   And if I'm being honest
                     D7M   E
It might have been a nightmare
            Dbm   D7M
To anyone who might care
D7M   E
   Thought I could fly
Dbm   D7M
   So I stepped off the Golden
D7M   E
   Nobody cried
Dbm   D7M
   Nobody even noticed
                     D7M   E
I saw them standing right there
                Dbm   D7M
Kinda thought they might care

[Pré-Refrão]

D7M   E
   I had a dream
Dbm   D7M
   I got everything I wanted
       D7M   E
But when I wake up I see
   Dbm   D7M
You with me
             D7M
When you say

[Refrão]

               E
As long as I'm here
Dbm   D7M
   No one can hurt you
D7M   E
    Don't wanna lie here
Dbm   D7M
   But you can learn to
D7M   E
   If I could change
      Db7   D7M
The way that you see yourself
D7M   E
   You wouldn't wonder why here
Dbm   D7M
   They don't deserve you

[Segunda Parte]

D7M   E
   I tried to scream
Dbm   D7M
   But my head was under water
D7M   E
   They called me weak
Dbm
   Like I'm not just
             D7M
Somebody's daughter
               D7M   E
Could've been a nightmare

But it felt like
         Dbm   D7M
They were right there
            D7M
And it feels like yesterday
             E
Was a year ago
       Dbm   D7M
But I don't wanna let anybody know
            D7M
Cause everybody wants
                E
Something from me now
         Dbm   D7M
And I don't want them down

[Ponte]

D7M   E
If I knew it all then
                 Dbm
Would I do it again
                     D7M
Would I do it again
D7M   E
If they knew what they said
                        Dbm
Would go straight to my head
                       D7M
What would they say instead

D7M   E
If I knew it all then
                 Db7

Would I do it again
D7M   E
If they knew what they said
                        Dbm
Would go straight to my head
                       D7M
What would they say instead
