Intro: **Bb** **F** **Gm** **Bb** **Eb**

I'm gettin' older, I think I'm agin' well **Bb** **F**

I wish someone had told me **Gm**

And maybe that's the reason every sentence **Gm** **Bb**

Sounds rehearsed **Eb**

Which is ironic, because when I wasn't honest **F**

I was still bein' ignored **Bb**

(lyin' for attention, just to get neglection) **Ab** **Gm** **Cm**

**Ebm**

Now we're estranged
