Tom: C

Don't be that way  
 Fall apart twice a day  
 I just wish you could feel what you say  
 Show, never tell  
 But i know you too well  
 Kind of mood that you wish you could sell  
 If teardrops could be bottled  
 There'd be swimming pools filled by models  
 Told "a tight dress is what makes you a whore"  
 If "i love you" was a promise  
 Would you break it, if you're honest?  
 Tell the mirror what you know she's heard before  
 I don't wanna be you  
 Em  
 Anymore

C  
 Hands getting cold  
 G  
 Losing feeling's getting old  
 Am G  
 Was i made from a broken mold?  
 C  
 Hurt, i can't shake  
 G  
 We've made every mistake  
 Am D  
 Only you know the way that i break  
 C  
 If teardrops could be bottled
