

Billie Eilish - I Love You

tom:

F

It's not true **F**

Tell me I've been lied to **C**

Crying isn't like you, ooh **F** **C**

What the hell did I do? **F**

Never been the type to **C**

Let someone see right through, ooh **F** **C**

F

Maybe won't you take it back?

Say you were tryna make me laugh **Dm**

And nothing has to change today **G**

You didn't mean to say: I love you **G7** **Am**

I love you **C**

And I don't want to, ooh **F** **C**

F

Up all night

On another red-eye **C**

We wish we never learned to fly high **F** **C**

Maybe we should just try **F**

To tell ourselves a good lie **C**

Didn't mean to make you cry, I **F** **C**

F

Maybe won't you take it back?

Say you were tryna make me laugh **Dm**

And nothing has to change today **G**

You didn't mean to say: I love you **G7** **Am**

I love you **C**

And I don't want to, ooh **F** **C**

Dm

The smile that you gave me

Even when you felt like dying **G** **F**

F

We fall apart as it gets dark

I'm in your arms in Central Park **Dm**

There's nothing you could do or say **G**

I can't escape the way I love you **G7** **Am**

I don't want to **C**

But I love you, ooh **F** **C**

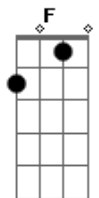

F **C**

Ooh, ooh

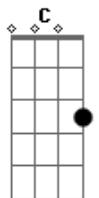

F **C**

Ooh, ooh
