

Billie Eilish - I Wish You Were Gay

Tom: G

"Baby, I don't feel so good" 6 words you never understood
 "I'll never let you go" 5 words you never said
 I laugh along like nothing's wrong, 4 days has never felt so long
 If 3 is a crowd & 2 is us, 1 slipped away
 I just wanna make you feel okay
 But all you do is look the other way
 I can't tell you how much i wish i didn't wanna stay
 But i just kinda wish you were gay
 Is there a reason we're not through
 Is there a 12th step just for you
 Our conversations are in blue
 11 haze
 10 fingers pulling out my hair
 9 times you never made it fair

I ate alone at 7, 6 minutes away

How am i supposed to make you feel okay
 When all you do is walk the other way
 I can't tell you how much i wish i didn't wanna stay
 I just kinda wish you were gay
 To spare my pride
 To give your lack of interest an explanation
 I'm not your type
 Maybe I'm not your preferred gender orientation
 I'm so selfish but you make me feel helpless
 & I can't stand another day
 I can't stand another day
 I just wanna make you feel okay
 But all you do it look the other way
 I can't tell you how much i wish i didn't wanna stay
 I just kinda wish you were gay
 I just kinda wish you were gay
