

# Billie Eilish - Lost Cause

tom:

Something's in the

Something's in the air right now

Like I'm losing track of time (time, time)

Like I don't really care right now, but maybe that's fine

You weren't even there that day

I was waitin' on you (you)

I wondered if you aware that day was the last straw for me

And I know I sent you flowers

Did you even care?

You ran the shower and left them by the stairs

Ooh-ooh-ooh, ayy-ayy-ayy, oh-oh

Thought you had your shit together

But damn, I was wrong

You ain't nothing but a lost cause

And this ain't nothing like it once was

I know you think you're such an outlaw

But you got no job

You ain't nothing but a lost cause

And this ain't nothing like it onc? was

I know you think you're such an outlaw

But you got no job

I used to think you wer? shy

Or maybe you just had nothing on your mind

Maybe you were thinkin' 'bout yourself all the time

I used to wish you were mine

But that was way before I realized

Someone like you would always be so easy to find

So easy (so easy)

Gave me no flowers

Wish I didn't care

You'd been gone for hours

Could be anywhere

I thought you would've grown eventually

But you proved me wrong

You ain't nothing but a lost cause

And this ain't nothing like it once was

I know you think you're such an outlaw

But you got no job

You ain't nothing but a lost cause

And this ain't nothing like it once was

I know you think you're such an outlaw

But you got no job
