Somethin' in the air right now
 Like I'm losin' track of time (Time, time)
 Like I don't really care right now
 But maybe that's fine
 You weren't even there that day
 I was waitin on you (You, you)
 I wonder if you aware away that day
 Was the last straw for me

[Pré-Refrão]

And I know I sent you flowers (Know, know)
 Did you even care?
 You ran the shower
 And left them by the stairs
 Ooh-ooh-ooh, ayy-ayy-ayy-ayy, uh
 Thought you had your shit together, but damn I was wrong

[Refrão]

You ain't nothin' but a lost cause (Cause, cause)
 And this ain't nothin' like it once was (Was, was)
 I know you think you're such an outlaw
 But you got no job (Job)
 You ain't nothin' but a lost cause (Cause, cause)
 And this ain't nothin' like it once was (Was, was)
 I know you think you're such an outlaw
 But you got no job

I used to think you wer? shy (shy)

Acordes

Or maybe you just had nothing on your mind
 Maybe you were thinkin' 'bout yourself all the time (time)
 I used to wish you were mine (mine)
 But that was way before I realized
 Someone like you would always be so easy to find
 (Um, um, so) So easy (easy, so, easy)
 Easy, uh, uh, uh, uh, uh

[Ponte]

Gave me no flowers
 Wish I didn't care
 You'd been gone for hours
 Could be anywhere (Oh, oh, oh, oh)
 I thought you would've grown eventually
 But you proved me wrong

[Refrão]

You ain't nothin' but a lost cause
 And this ain't nothin' like it once was
 I know you think you're such an outlaw
 But you got no job
 You ain't nothin' but a lost cause
 And this ain't nothin' like it once was
 I know you think you're such an outlaw
 But you got no job

[Final]

What did I tell you?
 Don't get complacent
 It's time to face it now
 What did I tell you?
 Don't get complacent
 It's time to face it now
