

## Billie Eilish - Lovely (feat. Khalid)

```
Intro: Em Bm C
       Em Bm
Thought I found a way
Thought I found a way out (found)
But you never go away (never go away)
So I guess I gotta stay now
Oh, I hope some day I'll make it out of here
                               Em
Even if it takes all night or a hundred years
                                Em
Need a place to hide, but I can't find one near
Wanna feel alive, outside I can fight my fear
Isn't it lovely, all alone
Heart made of glass, my mind of stone
Tear me to pieces, skin and bone
Hello, welcome home
Walkin' out of time
```

## **Acordes**

```
Lookin' for a better place (lookin' for a better place)
Something's on my mind
Always in my headspace
Oh, I hope some day I'll make it out of here
Even if it takes all night or a hundred years
                                 Em7
Need a place to hide, but I can't find one near
                              Em7
Wanna feel alive, outside I can fight my fear
Isn't it lovely, all alone
Heart made of glass, my mind of stone
Tear me to pieces, skin and bone
Hello, welcome home
Woah, yeah
C Em Bm

Hello, welcome home
