

# Billie Eilish - Male Fantasy

tom:

Intro: G D A Bm  
G D A G

[Primeira Parte]

Home alone, tryin' not to eat  
Distract myself with pornography  
I hate the way she looks at me  
I can't stand the dialogue, she would never be  
That satisfied, it's a male fantasy  
I'm goin' back to therapy

[Refrão]

'Cause I loved you then  
And I love you now and I don't know how  
Guess it's hard to know  
When nobody else comes around  
If I'm getting over you  
Or just pretending to  
Be alright, convince myself I hate you  
(Want me to sing in here?)

I got a call from a girl I used to know  
We were inseparable years ago  
Thought we'd get along but it wasn't so  
And it's all I think about  
When I'm behind the wheel  
I worry this is how I'm always gonna feel  
But nothing lasts, I know the deal

[Refrão]

But I loved you then  
And I love you now and I don't know how  
Guess it's hard to know  
When nobody else comes around  
If I'm getting over you  
Or just pretending to  
Be alright, convince myself I hate you

[Final]

Can't get over you  
No matter what I do  
I know I should but I could never hate you
