

Billie Eilish - My Strange Addiction

Tom: B

(forma dos acordes no tom de G)

Capostrate na 4ª casa

Intro: Em C Am Em
Em C Am Em

Em C Am Em
Don't ask questions, you don't wanna know
Em C Am Em
Learned my lesson way too long ago

Em C Am Em
To be talkin to you, belladonna, shoulda taken a break, not an
Oxford comma

Em C Am Em
Take what I want when I wanna, and I want ya

[Pre-Refrão]

Em C
Bad, bad news
Am Em
One of us is gonna lose
Em C
I'm the powder, you're the fuse
Am
Just add some friction

[Refrão]

Em C Am Em
You-oooh are my strange addiction
Em C Am Em
You-oooh are my strange addiction
Em C
My doctors can't explain
Am Em
My symptoms or my pain
Em C Am
But you-oooh are my strange addiction

(Em C Am Em)
(Em C Am Em)

Em C Am Em
Deadly fever, please don't ever break
Em C Am
Be my reliever 'cause I don't self medicate
Em C
And it burns like a gin and I like it
Am Em
Put your lips on my skin and you might ignite it
Em C
Hurts, but I know how to hide it

Am Em
Kinda like it

[Pre-Refrão]

Em C
Bad, bad news
Am Em
One of us is gonna lose
Em C
I'm the powder, you're the fuse
Am
Just add some friction

[Refrão]

Em C Am Em
You-oooh are my strange addiction
Em C Am Em
You-oooh are my strange addiction
Em C
My doctors can't explain
Am Em
My symptoms or my pain
Em C Am
But you-oooh are my strange addiction

[Ponte]

Em Em Em Em
Bite my glass, set myself on fire
Em Em
Can't you tell I'm crass, can't you tell I'm wired?
Em Em
Tell me nothing lasts, like I don't know
Em Em
You could kiss my ass-king about my motto

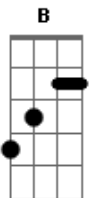

(Em C Am Em)
(Em C Am Em)

[Refrão]

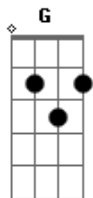

Em C Am Em
You-oooh are my strange addiction
Em C Am Em
You-oooh are my strange addiction
Em C
My doctors can't explain
Am Em
My symptoms or my pain
Em C Am Em
But you-oooh are my strange addiction

[Final] Em C Am Em
