Billie Eilish - No Time To Die

```
                              tom:
                      Em
Intro: Em  C  A  B7
         Em  C  A  B7
```

[Primeira Parte]

```
Em       C          A
   I should have known
Em       C       A
   I'd leave alone
Em       C        A
   Just goes to show
                  C
That the blood you bleed
                       B
Is just the blood you owe

Em       C      A   Am
   We were a pair
Em         C       A   Am
   But I saw you there
Em       C      A   Am
   Too much to bear
                 C
You were my life
                       B
But life is far away from fair

      C
Was I stupid to love you?
        Em
Was I reckless to help?
      Am                 B
Was it obvious to everybody else?
```

[Refrão]

```
        Em    C    Am
That I'd fallen for a lie
```

```
            Em    C     Am
You were never on my side
            Em              C
Fool me once, fool me twice
              Am
Are you death or paradise?
              Em    C     Am
Now you'll never see me cry
                      Em   C  A  B7
There's just no time to die
```
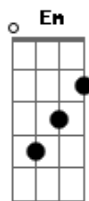

[Segunda Parte]

```
Em      C      A  Am
   I let it burn
Em             C           A  Am
   You're no longer my concern
Em        C           Am
   Faces from my past return
            C         B
Another lesson yet to learn
```

[Refrão]

```
            Em    C    Am
That I'd fallen for a lie
            Em   C      Am
You were never on my side
            Em              C
Fool me once, fool me twice
            Am
Are you death or paradise?
              Em    C     Am
Now you'll never see me cry
                      Em   C
There's just no time to die
               A    B
No time to die
               Em    C      A   B7
No time to di_____e,       ooh

            Em              C
Fool me once, fool me twice
            Am
Are you death or paradise?
              Em    C     Am
Now you'll never see me cry
                           Em
There's just no time to die
