

Billie Eilish - Sex

tom:

C

And this is how it starts

You take your shoes off

In the back of my van **F G**

My shirt looks so good **C**

When it's just hanging off your back **F G**

C

She said use your hands and my spare time

We've got one thing in common **G**

It's this tongue of mine

She said, she's got a boyfriend anyway **F**

She's got a boyfriend anyway **G C**

It's only minutes before I drop you off **F**

And all we seem to do is talk about sex

She's got a boyfriend anyway

She's got a boyfriend anyway **G C**

I loved you friend when I saw his film

He's got a funny face, but I like **F**

That cause he still looks cool

She's got a boyfriend anyway

She's got a boyfriend anyway **G Dm**

G

Now we're on the bed in my room

And I'm about to fill his shoes

But you say no, you say no **F G F**

Does he take care of you? **G**

Or could I easily fill his shoes?

But you say no, you say no **F G C**

Now we're just outside of town **G**

And you're making your way down **F**

She's got a boyfriend anyway **G**

She's got a boyfriend anyway

C

And I'm not trying to stop you, love

It's just if we're gonna do anything **F**

We might as well just fuck

She's got a boyfriend anyway

She's got a boyfriend anyway **G C**

You in your high tops anyway **G**

You in your skinny jeans anyway **F G C**

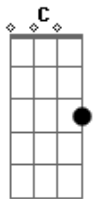

You and your fit friends anyway **G**

I'd take them all out any day **F**

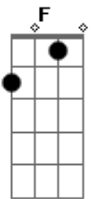

They've all got backcombs anyway **G**

They've all got boyfriends anyway **C**
