

Billie Eilish - The End Of The World

Tom: **D**

m

Intro: **Dm Am Bb C Am**

[Primeira Parte]

Dm **Am**
Breathe the air again
Am **Bb**
It's a beautiful day
Bb
I wish this moment would stay
C
With the earth
Am **Dm**
Some primal paradise
Dm **Am**
But there you go again
Am **Bb**
Saying everything ends
C
Saying you can't depend on anything
A7
Or anyone

[Refrão]

Dm **F** **Bb**
If the end of the world was near
F **C** **Dm**
Where would you choose to be?
Bb **F** **C**
If there was five more minutes
A
Of air
Bb
Would you panic and hide?
F
Or run for your life?
C **Bb**
Or stand here and spend it with me?
F **C** **Dm**
If we had five more minutes
Bb **C** **Dm**
Would I, could I make you happy?

[Segunda Parte]

Dm **Am**
And we would live again
Am **Bb**
In the simplest of ways
Bb
Living day after day
C **Am** **Dm**
Like some primal animals
Dm **Am**
We would love again
Am **Bb**

Under glorious suns

With the freedom that comes with the truth

(**A7**)

[Refrão]

Dm **F** **Bb**
If the end of the world was near
F **C** **Dm**
Where would you choose to be?
Bb **F** **C**
If there was five more minutes
A
Of air
Bb
Would you panic and hide?
F
Or run for your life?
C **Bb**
Or stand here and spend it with me?
F **C** **Dm**
If we had five more minutes
Bb **C** **Dm**
Would I, could I make you happy?

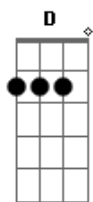

[Ponte]

Dm **Am**
So it finally came to pass
Am **Bb**
I saw the end of the world
Bb
Saw the madness unfold
C **Am** **Dm**
Like some primal burial
Am
And I looked back upon
Bb
Armageddon
Am **Bb**
And the moment of truth between you and me
(**Am Bb Am Bb**)

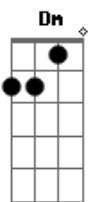

Oh

Dm
If we had five more minutes
Bb **C**
Of air to breathe
F **C** **Dm**
And we cried all through it
Bb **C**
But you spend them with me
F **C** **Dm**
On our last few drags
Bb **C**
Of air we agree
Bb **C** **Dm**
I was, and you were, happy
