

# Billie Eilish - The End Of The World

Tom: **D**

m

Intro: **Dm Am Bb C Am**

[Primeira Parte]

**Dm** **Am**  
Breathe the air again  
**Am** **Bb**  
It's a beautiful day  
**Bb**  
I wish this moment would stay  
**C**  
With the earth  
**Am** **Dm**  
Some primal paradise  
**Dm** **Am**  
But there you go again  
**Am** **Bb**  
Saying everything ends  
**C**  
Saying you can't depend on anything  
**A7**  
Or anyone

[Refrão]

**Dm** **F** **Bb**  
If the end of the world was near  
**F** **C** **Dm**  
Where would you choose to be?  
**Bb** **F** **C**  
If there was five more minutes  
**A**  
Of air  
**Bb**  
Would you panic and hide?  
**F**  
Or run for your life?  
**C** **Bb**  
Or stand here and spend it with me?  
**F** **C** **Dm**  
If we had five more minutes  
**Bb** **C** **Dm**  
Would I, could I make you happy?

[Segunda Parte]

**Dm** **Am**  
And we would live again  
**Am** **Bb**  
In the simplest of ways  
**Bb**  
Living day after day  
**C** **Am** **Dm**  
Like some primal animals  
**Dm** **Am**  
We would love again  
**Am** **Bb**

Under glorious suns

With the freedom that comes with the truth

( **A7** )

[Refrão]

**Dm** **F** **Bb**  
If the end of the world was near  
**F** **C** **Dm**  
Where would you choose to be?  
**Bb** **F** **C**  
If there was five more minutes  
**A**  
Of air  
**Bb**  
Would you panic and hide?  
**F**  
Or run for your life?  
**C** **Bb**  
Or stand here and spend it with me?  
**F** **C** **Dm**  
If we had five more minutes  
**Bb** **C** **Dm**  
Would I, could I make you happy?

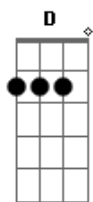

[Ponte]

**Dm** **Am**  
So it finally came to pass  
**Am** **Bb**  
I saw the end of the world  
**Bb**  
Saw the madness unfold  
**C** **Am** **Dm**  
Like some primal burial  
**Am**  
And I looked back upon  
**Bb**  
Armageddon  
**Am** **Bb**  
And the moment of truth between you and me  
( **Am Bb Am Bb** )

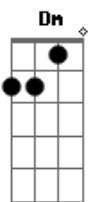

Oh

**Dm**  
If we had five more minutes  
**Bb** **C**  
Of air to breathe  
**F** **C** **Dm**  
And we cried all through it  
**Bb** **C**  
But you spend them with me  
**F** **C** **Dm**  
On our last few drags  
**Bb** **C**  
Of air we agree  
**Bb** **C** **Dm**  
I was, and you were, happy
