Lay on me the weight of the World

Smiling like you're given a gift

Don't you wanna dance with your little girl?

In the shadows I can see those things you hid

From me

[Refrão]

Ab Eb

You burn all your dirty laundry

Ab Eb

You curse at your phone

Ab Eb Bb Ab

You set the house on fire and tell me to come home

Tell me you're stoned

Twist my words and then wring 'em out

Drag me down into your jealousy

Rising inside your open mouth

Cm D

Taking out your whole life on me

On me

[Refrão]

Ab Eb

You burn all your dirty laundry

Ab Eb

You curse at your phone

Ab Eb Bb Ab

You set the house on fire and tell me to come home

Tell me that you're stoned

Bb Ab Cm

Don't tell me to come home, you must be stoned

Fm Eb Bb

Won't be wrapped up in your wings that spread with disaster

Fm Eb Bb

No, I'm not all those things you might be after

Fm Eb Bb

Maybe you're just too stoned to see you're the reason I don't come home

Fm Eb Bb

Too faded to see my heart's growin' blacker

[Refrão]

Ab Eb

You burn all your dirty laundry

Ab Eb

You curse at your phone
