

Billie Holiday - It Had To Be You

Tom: G

Intro: Gdim D7 Gdim D7 D G Cm G

Verse

Why do I do, just as you say
Why must I just, give you your way
Why do I sigh, why don't I try to forget
It must have been, that something lovers call fate
Kept me saying: "I have to wait"
I saw them all, just couldn't fall 'til we met

It had to be you, it had to be you
I wandered around and finally found the somebody who
Could make me be true, and could make me be blue
And even be glad just to be sad thinkin' of you
Some others I've seen, might never be mean

Might even be cross, or try to be boss, but they wouldn't do
For nobody else gives me the thrill
With all your faults, dear, I love you still
It had to be you, wonderful you
It had to be you

Interlude: D G D G G E7 Dm7 E7 E E7 E A A7 A A

For nobody else gives me the thrill
With all your faults, dear, I love you still
It had to be you, wonderful you
It had to be you
