

# Billy Boyd - The Last Goodbye

Tom: C

(com acordes na forma de Capostraste na 5ª casa G )

I saw the light fade from the sky  
On the wind I heard a sigh  
As the snowflakes cover my fallen brothers  
I will say this last goodbye

Night is now falling  
So ends this day  
The road is now calling  
And I must away

Over hill and under tree  
Through lands where never light has shone  
By silver streams that run down to the sea  
Under cloud, beneath the stars  
Over snow one winter's morn  
I turn at last to paths that lead home  
And though where the road then takes me  
I cannot tell  
We came all this way  
But now comes the day  
To bid you farewell  
Many places I have been

Many sorrows I have seen  
But I don't regret  
Nor will I forget  
All who took the road with me

Night is now falling  
So ends this day  
The road is now calling  
And I must away

Over hill and under tree  
Through lands where never light has shone  
By silver streams that run down to the sea

To these memories I will hold  
With your blessing I will go  
To turn at last to paths that lead home  
And though where the road then takes me  
I cannot tell  
We came all this way  
But now comes the day  
To bid you farewell  
( C Em ) 3x

I bid you all a very fond farewell
