

Billy Currington - Must Doin Somethin Right Intro

Tom: **E**

I did this with regular tuning of EADGB_e and without a capo.

Also, I left a 4 space gap for the normal chords that are played with this song.

Please leave some comments so I can know what you think, and so I

update some minor, if not, major errors I might have left.

Hope you like it.

If you don't wanna comment or if you don't have an account to comment with, just email me at [and](mailto:and@ukulele-chords.com) and I'll review the error and I'll update it as soon as I can.

Thanks :**D** and have fun.
