

Billy Currington - That's Just Me

Tom: F

(com acordes na forma de D)
 Capotraste na 3ª casa
 Capo 3

D
 I prefer the fiddle to the violin
Em
 And I tend to think that supermodels are too thin
G **A**
 And I think who you are is who you oughtta be
D
 But that's just me

The best of Andy Griffith was in black and white
 Fishin' still beats workin' if you never get a bite
 And coffee's kinda pointless without caffeine
 But that's just me

Chorus:
Em **D** **G** **A** **D**
 And I believe in little that I hear and only half of what I

see
Em **D** **G** **A**
 And I believe that living by the book is harder than it used
 to be
D
 And I'm convinced that lovin' you
Gbm **G** **D**
 Is gonna be the secret to my longevity but that's just me

I've never seen a place that I like more than home
 When I go to the movies, I don't take a telephone
 And I'll buy the gas, but oughtta get the air for free
 But that's just me

I've never even been to mars, but I'm a man
 And I accept the fact that women are just hard to understand
 I think people take themselves too seriously
 But that's just me

Repeat Chorus

Hey, that's just me
 That's just me
