

Billy Idol - Bitter Taste

tom:

Intro: **Bbm** **Bbm**

[Primeira Parte]

The bitter **Bbm** taste, I hold my **Ab** tongue
The manic **Eb** hope the damage done
It's **Bbm** bittersweet, black on **Ab** gold
Talk is **Eb** cheap, or so I'm told
I'm **Bbm** gonna ride this back to the edge of town
Ab Roll to the bridge with my eyes shut
And spit at the **Eb** stars
And scream in the dark
There's **Bbm** nothing I can do to change it now
But if I cut myself open, baby
You can read all my **Eb** scars
Read all my scars
[Refrão]

Again and again
