

## **Billy Idol - Still Dancing**

```
tom:
Intro: G B G
   A E G
[Primeira Parte]
Left my home
For jet black gold
Sold my soul
In a fever, in a fever
[Segunda Parte]
Changed my name
A suicide game
Machine guns on
My t-shirt, my t-shirt
[Ponte]
It?s been a long ride
But the ride is all I know
[Refrão]
I'm still dancing
But now I ain?t alone
I got everything I need next to \ensuremath{\mathsf{me}}
Right here in my bones
I'm still dancing
But now I'm in control
I got everything I need next to \ensuremath{\mathsf{me}}
From LA to Tokyo
Say yeah, yeah, yeah
Say yeah, yeah, yeah
Say yeah, yeah, yeah
           F G
I'm still dancing
[Terceira Parte]
Plastic bag
Full of clothes
Turn to robes
In the ether, in the ether
[Quarta Parte]
I smashed hotels
And hurt myself
```

```
But I always stayed
A believer, a believer
[Ponte]
It?s been a long ride but
[Refrão]
I'm still dancing
But now I ain?t alone
I got everything I need next to \ensuremath{\mathsf{me}}
Right here in my bones
I'm still dancing
But now I'm in control
I got everything I need next to me
From LA to Tokyo
Say yeah, yeah, yeah
Say yeah, yeah, yeah
Say yeah, yeah, yeah
           F G
I'm still dancing
[Solo] B
[Ponte]
Skinheads stomp
Right down the road
Teddy Boys stood
Clutching their combs
Reggae blitz rock
Deep to the core
In Brixton
Punks trying to riot
Up on the high street
Causing a ruckus
Who wants to fight me?
Pogo slam
No need to remind me
( Gb )
[Refrão]
I'm still dancing
But now I ain?t alone
I got everything I need next to \ensuremath{\mathsf{me}}
```
