

Billy Joel - The River Of Dreams

tom:

G

In the middle of the night I go walking in my sleep
from the mountains of faith to a river so deep
I must be looking for something something sacred I lost
But the river is wide and it's too hard to cross

Em **D**
And even though I knew the river is wide
I walk down every evening and I stand on the shore
And try to cross to the opposite side
So I can finally find out what I've been looking for

G
In the middle of the night I go walking in my sleep
Through the valley of fear to a river so deep
And I've been searching for something taken away of my soul
Something I would never lose something somebody stole
I don't know why I go walking at night
But now I'm tired and I don't walk anymore
I hope it doesn't take the rest of my life

A7 **D**
Until I find what it is I've been looking for
In the middle of the night I go walking in my sleep
Through the jungle of doubt to a river so deep
I know I'm searching for something something so undefined
That it only can be seen by the eyes of a blind

G
In the middle of the night
Em **D**
I'm not sure about life after this
god knows I've never been a spiritual man
Baptized by the fire, I waded into the river
That turns to be the promised land

G
In the middle of the night I go walking in my sleep
Through the desert of truth to a river so deep
We're all land in the ocean we all start in the streams
We're all carried along by the river of dreams

G
In the middle of the night
