

Billy Talent - Afraid Of Heights

Tom: A

m ^{Am7}
Wherever I go, wherever I go
^{Em}
I have to question the hand that I hold close
^{F7M}
Wherever I go, wherever I go
^{D2}
I have to silence the words that you fear most

^{Am7}
Don't ever let go, don't ever let go
^{Em}
are we destined to hit the ground below?
^{F7M}
Don't ever let go, don't ever let go
^{D2}
We're at the end of a burning tightrope

[Refrão]

^F
Now I'm waiting on the corner in the back of your mind
^{Am7}
it's a lonely place to live, and I got nowhere to hide
^G ^{D (Dm)}
) D2
Cause you told me that you'd never be afraid of heights again
^F
Nobody ever thought that we could make it this high
^{Am7}
you're the only one I'd follow till the end of time
^G ^{D (Dm)}
D2
If we fall, we fall together baby, don't think twice again

^{Am7}
Together I know, together I know
^{Em}
that we'd burn like a rockets afterglow
^{F7M}
Together I know, together I know
^{D2}
We could conquer the stars beyond this world

^{Am7}
We let it all go, we let it all go
^{Em}
I'm just a voice on a broken radio
^{F7M}
We let it all go, we let it all go
^{D2}
We got lost in the constellations

[Refrão]

^F

^{Am7} ^G
And after all of these years, and all of this time
^F ^{D2}
Darling, if I'm still a question in your mind
^G ^{Am7}
Just say the words and this will end

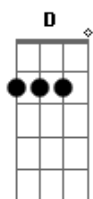

[Refrão]

hit the ground below?
^{F7M} ^{D2}
Don't ever let go, don't ever let go, are we just watching the
final chapter close?
