tom:

D

Save me, from the man with the harpoon gun

Save me, I don't hurt anyone

I am the giant of the sea
Bm **A** **G**
But I am your friend
A **D**
Don't let my time on earth come to an end

D
Save me, from the boats that catch and slaughter
D **A**
Save me, give me freedom in the water
Em **Bm**
Stop the hunters hunting me
Bm **A** **G**
I am your friend
A **D**
Don't let my time on earth come to an end

G **D**
We're wind angels playing games in the ocean blue

G **Bm**
We're warm blooded and skin covered, just like you

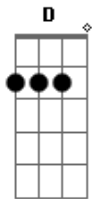

Em **D** **G** **D**
It used to be such a wonderful blue planet
Em **C** **Bm**
No fear of anyone, 'til humans overran it
E **A**
Why can't they see, the earth needs me

D
Save me, let me swim the deepest ocean
D **A**
Save me, let me ponder in slow motion

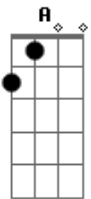

Em **Bm**
I am the giant of the sea
Bm **A** **G**
I am your friend
A **Bm**
Don't let my time on earth come to an end

Bm **A** **E**
I am your friend
Em **A** **D**
Don't let my time on earth come to an end
