                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               В
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                I'm losing all the love that could've been
I don't wanna let you go (I don't wanna let you go)
I don't wanna let you go (I don't wanna let you go) x2
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    And I'm giving you to him
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  [Refrão]
This empty room
Is filled with thoughts of you
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                I don't wanna let you go (I don't wanna let you go)
And all the years
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  I don't wanna let you go (I don't wanna let you go)
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                The bed is bare
That I was looking forward to
That I'm not strong enough to say goodbye
