

Birdy - Blue Skies

tom:
Capostrate na 2ª casa

Blue skies smiling at me
Nothing but blue skies, all I see
Blue birds singing a song
Nothing but blue skies, from now

I never saw the Sun shining so bright
Never saw things going so right
Noticing the days hurrying bad
When you're in love, oh my how they fly
But blue days, all of them gone
Nothing but blue skies, from now
