I've been sleepless at night

Cause I don't know how I feel

I've been waiting on you

Just to say something real

There's a light on the road

And I think you know

Morning has come and I have to go

I don't know why, I don't know why

We need to break so hard

I don't know why we break so hard

But if we're strong enough to let it in (in in)

We're strong enough to let it go (ooh ooh)

Let it all go, let it all go, let it all out now

If I look back to the start, now I know

I see everything true

There's still a fire in my heart, my darling

But I'm not burning for you

We started it wrong and I think you know

We waited too long, now I have to go

I don't know why, I don't know why

We need to break so hard

I don't know why we break so hard

But if we're strong enough to let it in (in in)

We're strong enough to let it go (ooh ooh)

Let it all go, let it all go, let it all out now

Who says truth is beauty after all

And who says love should break us when we fall

But if we're strong enough to let it in (in in)

We're strong enough to let it go (ooh ooh)

Let it all go, let it all go, let it all out now

Let it all go, let it all go, let it all out now

We're strong enough to let it go (ooh ooh)
