

# Birdy - Shelter

Tom: C

Intro: 2x: Am F

I find shelter in this way

Under cover, hide away

Can you hear when I say

I have never felt this way

Maybe I had said something that was wrong

Can I make it better with the lights turned on

Maybe I had said something that was wrong

Can I make it better with the lights turned on

F Dm Am C

Could I be, was I there

It felt so crystal in the air

I still want to drown whenever you leave

Please teach me gently how to breathe

And I'll cross oceans like never before

So you can feel the way I feel it too

And I'll send images back at you

So you can see the way I feel it too

Maybe I had said something that was wrong

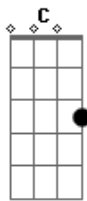

Can I make it better with the lights turned on

Maybe I had said something that was wrong

Can I make it better with the lights turned on

F Dm Am C (2x)  
Am F (2x)
