

Birdy - Strange Birds

Tom: Bb

Gm
Little ghost, you are listening,
Eb
Unlike most you don't miss a thing,
Cm D D
You see the truth,
Gm
I walk the halls invisibly,
Eb
I climb the walls, no one sees me,
Cm D D
No one but you.

Gm
You've always loved the strange birds
Gm Eb
Now I want to fly into your world
Cm D D
I want to be heard
Gm
My wounded wings still beating,
Gm Eb Cm
You've always loved the stranger inside?
D D
Me, ugly pretty.
Gm
Oh no, no, no, no
Gm
Oh no, no, no, no
Eb
Oh no, no, no, no
Cm D D
Oh

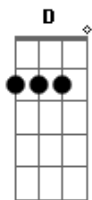

Gm
Oh little ghost, you see the pain
Eb
But together we can make something beautiful,
Cm D D

Gm
So take my hand and perfectly,
Gm Eb
We fill the gaps, you and me make three,
Cm D D
I was meant for you, and you for me.

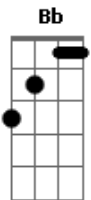

Gm
You've always loved the strange birds
Gm Eb
Now I want to fly into your world
Cm D D
I want to be heard
Gm
My wounded wings still beating,
Gm Eb Cm
You've always loved the stranger inside?
D D
Me, ugly pretty.
Gm
Oh no, no, no, no
Gm
Oh no, no, no, no
Eb
Oh no, no, no, no
Cm D D
Oh

Gm
You've always loved the strange birds
Gm Eb
Now I want to fly into your world
Cm D D
I want to be heard
Gm
My wounded wings still beating,
Gm Eb Cm
You've always loved the stranger inside?
D D Gm
Me, ugly pretty.
