

Birdy - The District Sleeps Alone Tonight

Tom: C

C Dm Am
Smear'd black ink:

C Dm Am
your face is ashen and

C Dm Am
I'm barely listening to last demands

C Dm Am
I'm staring at the asphalt wondering what's
Buried underneath

F C G
where i am
F C G F
where i am

C Dm Am C Dm
I'll wear my badge: a vinyl sticker with big block
Am

Letters adherent to my chest

C Dm Am C Dm
That tells your new friends i am a visitor here:

Am
i am not permanent

C Dm Am C Dm Am
And the only thing keeping me dry is

F C G
where i am

(F C G)
You seem so out of context in this gaudy
Apartment complex
A stranger with a door key explaining that i am
Just visiting

And i am finally seeing why i was the one worth
Leaving

F
why i was the one worth

C
Leaving

C Dm Am
D.C. sleeps alone tonight
(2X)

(F C G)
You seem so out of context in this gaudy
Apartment complex
A stranger with a door key explaining that i am
Just visiting
And i am finally seeing why i was the one worth
Leaving

F
why i was the one worth

C
Leaving

F C G
The district sleeps alone tonight after the bars turn out
their lights

F C G
And send the autos swerving into the loneliest evening

F C G F
And i am finally seeing why i was the one worth leaving

C
why i was the one worth leaving

F
why i was the one worth leaving

C F C
why i was the one worth leaving
