

# Birdy - The Same

Tom: D

Intro: 2x: D G Bm A

I've tried to be fair  
 And pretend like I care  
 But no asset is worth all the time  
 Spent listening and laughing  
 To dramas that mean nothing  
 Can't find any depth to these minds

Bm A G  
 Purity lost in vain  
 Bm A G E  
 And you think I should be the same?

Bm  
 Don't assume I will follow  
 A  
 And drop all my morals  
 G E  
 So you can look good for the crowd  
 Bm  
 You don't care about my thoughts  
 A  
 Just the light that I brought  
 G E  
 I'm tired of helping you out

D  
 They chose to be blind  
 G  
 When lonely and shy  
 Bm A  
 I searched for acceptance at first  
 D  
 Said the traits didn't match  
 G  
 Now you take it all back  
 Bm A  
 When it adds something more to your worth
