E A Abm E
Below a pool table I lie
A Abm E
One night in '99
A Abm E
Half asleep when that song begins
A Abm E
Have to go find out who it is
E A Abm
From the basement of the house party
E A
Abm
I crawl up three flights of stairs like half a zombie
E A Abm
People dancing on my hands, I demand
E A Abm
Gbm

Tell me the name of that ridiculously awesome band
E A
But no one hears me or gives a shit.
Dbm B E
About a stupid boy at the time unfit to stand on his two legs
Gbm
And ask politely instead he begs
A
?Tell me, tell me, tell me!?
E A Abm
A wasted skater, told me their name later
E A Abm
Before this to music I was a hater
E A Abm
I had to go and I had to follow through
E A Abm
Gbm
I bought their tapes and soon after I got their tattoo
E
But, by then their voice was dead
A
Living on in my headphones
Dbm B
With so much left unsaid
E Gbm
I wish I could have thanked him personally
A
They did so much for me
