2 Verso:
 She paints her eyes as black as night now
 She pulls those shades down tight
 Yea she gives a smile when the pain comes
 The pain gonna make everything alright

Refrão:
 She says she talks to angels, they call her out by her name
 Oh yea she talks to angels, says they call her out by her name

3 Verso:
 She keeps a lock of hair in her pocket
 She wears a cross around her neck
 Yes the hair is from a little boy
 And the cross from someone she has not met.....not yet

Refrão:
 She says she talks to angels, says they all know her name
 Oh yea she talks to angels, says they call her out by her name

She don't know no lover
 None that i've ever seen
 To her that ain't nothin'
 But to me, it means, everything.
 Repita o 2 Verso de novo.
