

Black Crowes - Tornado

Tom: **G**

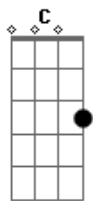

G
 Sit down by the window and watch the tornado **C**
G Wait for the sheriff to bring some dirty water by **D** **Em**
G Help yourself out to some of my disaster **C**
G Its movin' faster
D Than the last time I was on speed **Em**
Am Don't you know what I mean
D Cause it's ways and means and your ways are mean **C**
G By definition
D I could fill this page up with this boys ambition **C** **G**
Cm But I don't audition
D Oh yes that's true **Cm** **D**

I could never act for you
G Heard you saw some friends of mine last winter **C**
G Then again, I heard you disappeared into ether **D** **Em**
G I don't laugh and you smile because I'm tired **C**
G I'm feelin wired oh so weary **D**
Em And oh so old
Am I being too bold
D Bold enough to ask you if you really love me **C** **G**
D In my shadows and in my dreams **C** **G**
Cm And just one last thing
D Please let me say
Cm And that is please,
D Oh please, please stay away, from me **D7** **G**
