Hey, baby my nose is getting big  
I noticed it be growing when I been telling  
them fibs  
Now you say your trust's getting weaker  
Probably coz my lies just started getting deeper  
And the reason for my confession is that I learn  
my lesson  
And I really think you have to know the truth  
Because I lied and I cheated and I lied a little more  
But after I did it I don't know what I did it for  
I admit that I have been a little immature  
Fucking with your heart like I was the predator  
In my book of lies I was the editor and the author  
I forged my signature  
And now I apologise for what I did to you  
Cos what you did to me I did to you

[Chorus]

**Gbm7** **D A**  
Nononono baby, nononono don't lie  
**Gbm7** **D A**  
Nononono, yeah you kno know know know you gotta try  
**Bm**  
What you gonna do when it all comes out  
**D**  
When I see you & what you're all about  
**Gbm7** **D A**  
Nonono baby, nononono don't lie  
**Gbm7**  
Because you know you know you know you know  
**E D A**  
you know you gotta try  
  
She said I'm leaving  
Cos she can't take the pain

It's hard to continue this love it ain't the same  
Can't forget the things that I've done inside her  
brain  
Too many lies committed too many games  
She feeling like a fool getting on the last train  
Trying to maintain but the feeling won't change  
I'm sorry for the things that I've done and what I  
became  
**Caugh**t up in living my life in the fast lane  
Blinded by lights, cameras, you know the fame  
I don't know the reason why I did these things

And you lie and you lie and you lie and you lie  
And now our emotions are drained  
When you lie and you lie and a little lie lie  
And now your emotions are drained

[Chorus x2]

Yo, I'm lying to my girl even though I love her  
And she all in my world  
I give her all my attention and diamonds & pearls  
She's the one who makes me feel on top of the world  
Still I lie to my girl, I do it  
And I lie and I lie and I lie till there's no turning back  
I don't know why, [and I lie and I lie till I don't know  
who I am]  
And then I tell myself

**Gbm7** **D A**  
Nononono baby, nononono don't lie  
**Gbm7** **D A**  
Nononono, yeah you know know know know you gotta try  
**Bm**  
What you gonna do when it all comes out  
**D**  
When I see you & what you're all about  
**Gbm7** **D A**  
Nononono baby, nononono don't lie  
**Gbm7**  
Nononono baby, nononono  
**D A**  
Stop, st-stop st-stop stop stop lying.
