Black Eyed Peas - The APL Song

Intro: Refrão Em Lapit mga kaibigan at makinig kayo Ako'y may dala-dalang, balita galing sa bayan ko **C7 D7** Nais kong ipamahagi ang mga kwento Em Ang mga pangyayaring nagaganap Verse 1: Every place got a ghetto this is my version Check it out... Listen closely yo, I got a story to tell A version of my ghetto where life felt for real Some would call it hell but to me it was heaven God gave me the grace, amazin' ways of living How would you feel if you had to catch your meal? Build a hut to live and to eat and chill in. Having to pump the water outta the ground The way we put it down utilizing what is around Like land for farming, river for fishing
