

Black Ignation - Born To Die

tom:
 People say
 Don't talk to him because
 He's boring
 He's annoying
 We don't know
 But he's a problem
 Every problem he had before
 And I
 I don't care
 'Cause he's a whore
 I gave him a hug

But now
 I don't even care anymore

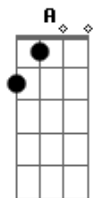

Who knows?
 No one

Who knows?
 No one

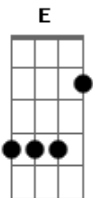

Who knows?
 No one

Who knows?
 No one
