Chourse:

And here i stand i find myself alone again the miles iv'e walked loss of hope and loss of friends yet i keep on runnin' and i won't look back

Acordes

the waters rise you never know just where they're at

the waters turn yeah,yeah the hardships we endure you aint the only son or forgotton daughter we all drown in blackend waters

the sun has set the endless stream where nothing lastes forever damned today to morrow and all the past yet i keep on runnin' and i wont look back the waters rise you never know just where they're at
