

Black Pumas - Old Man

tom:

Intro: Gm F Gm F

Gm F
Old man, the world is on your shoulder

Gm F
And your heart is on your sleeve

F
May you find the pretty things

Gm
To beat the stormy weather

F
Sunsets over water

Gm F
Show you how to dream in the sweet power of love

Am G
Sure enough, brother, sure enough, sister

Am G
The sweet power of love will keep us elevated, baby

Gm
When the sun don't shine

F
When the clouds come home

Gm F
And we can't go on holding on

Am C Dm F
Ain't no need to worry, baby

Am C Dm F
If you've got soul then you got fire

Am C Dm F
Ain't no need to worry, baby

Am C Dm F
Let my love take you higher

Gm F
Old man, when your mind is downtrodden

Gm
By the powers that be

F

Remember where you come from

Am
The sweet power of love

There's so much lovin'

G
So much coming

Am
The sweet power of love

G
Will keep us elevated, baby

Gm
Even when the sun don't shine

F
When the clouds come home

Gm F
And we can't go on holding on

Am C Dm F
Ain't no need to worry, baby

Am C Dm F
If you've got soul then you got fire

Am C Dm F
Ain't no need to worry, baby

Am C Dm F
Let my love take you higher, higher

C
I want to kick it with you

F
Lets kick it together

C
I want to kick it with you

F
Lets kick it together

C
I want to kick it with you

F
Lets kick it together
