   When it's over you'll find the answer
                   B Gb Dbm
   Running in the whispering rain
   Anno Mundi? Can you wonder!
Dbm
   Truth or thunder
   Life or blame
(Gbm D E Gbm )
   Do you see a vision
 Of a perfect place?
 Does it make you laugh
   Put a smile on your face?
   Do you need a mirror
 Do you see it well?
 Does the hand of God
   Still toll the bell?
   There are people laughing
 They're all laughing at you
 If only they could see what
You're saying is true, oh yeah!
   Still generals fighting
 Making war on the world
 Don't they know, don't they know?
Gbm Dbm A D
           As the wind
No, no, no!
                 Gbm Dbm A D
In the night blows cold
                Gbm Dbm A D
Your eyes are burning
                           Gbm Dbm A D
As the sands of our time grow old
 Anno Mundi, yeah!
  Do you follow the path
```

```
That so many tread?
 Are you among the blind
   So easily lead?
Gbm
   Do you join the war
 Do you fight for the cause?
 Depend on another
           Gbm Dbm A D
To fight it alone
                             Gbm Dbm A D
As the wind in the night blows cold
                Gbm Dbm A D
Your eyes are burning
                            Gbm Dbm A D
As the sands of our time grow old
 No. no. no!

Can you see me now?
        Dbm E Dbm A Ab

                 В
Ride the days and sail the nights
        Dbm E
When it's over, you'll find the answer
   Running in the rain
 Truth or thunder
   Life or blame!
   There's a hope that's growing
 And a vision too
 All those angry hearts
   Now reach out for you
   Do you look to the dawn
 See a new day begun?
 No longer the fool
The vision is done
                             Gbm Dbm A D
As the wind in the night blows cold
                 Gbm Dbm A D
Your eyes are burning
As the sands of our time grow old
Your eyes are burning
                             Gbm Dbm A D
As the wind in the night blows cold
                 Gbm Dbm A D
Your eyes are burning
