Black Sabbath - Dirty Women Tab 2 Versao

Tom: G

 The neon lights are shining on me again

 I walk the lonley streets in search of a friend

[f] {Bridge}

{Guitar 1}

I need a lady to help me to get through the night, through the night
If I could find her, then everything would be alright.

The sleepy city is dreaming the night time away

Out on the streets, I watch tomorrow becoming today

And says the answer, his "take away" women don't fail.
