I see a look of evil in your eyes
 You've been filling me all full of lies
 Sorrow will not change your shameful deed
 You will bear someone else's bitter seed

Evil woman don't you play your game with me
 Evil woman don't you play your game with me

Now I know just what your looking for
 You want me to claim this child you bore 1
 Well you know that it was he not me
 And you know the way it's got to be

Evil woman don't you play your game with me
 Evil woman don't you play your game with
 Evil woman don't you play your game with me
 Evil woman don't you play your game with me

Wickedness lies in your moistened lips
 Your body moves just like the crack of a whip
 Black cat sleeps on top of your stain(ed) bed,
 Your true wish that you could see me dead

Evil woman don't you play your games with me
 Evil woman don't you play your games with me
 Evil woman don't you play your games with me
 Evil woman don't you play your games with me
 Evil woman don't you play your
