

Black Sabbath - Fairies Wear Boots Solo

Tom: C

Solo 1 - 0:51

Solo 2 - 2:59

Outro - 5:42

The tabs I found for this song sounded mostly bad at the solos, so I tabbed them myself.

Legend:

- =bend up
- v=bend up then back down
- \=slide down
- /=slide up
- ~=vibrato
- h=hammer on
- p=pull off

very slight bend
v

repeat

Note: Try mixing around the licks between the s until it sounds right for you. It sounds a little sloppy to me so I can't much tell the difference.
